

ConDoc for General Contractors

Welcome to ConDoc

www.condoc.com

"I feel we didn't give up anything when we made the change, other than we saved a substantial amount of money and we're getting a better product..." Paul H. Assistant Project Manager

PROBLEM

Is your current documentation system...

- Clunky?
- Difficult to learn/teach/use?
- Restrictive?
- Expensive?

SOLUTION

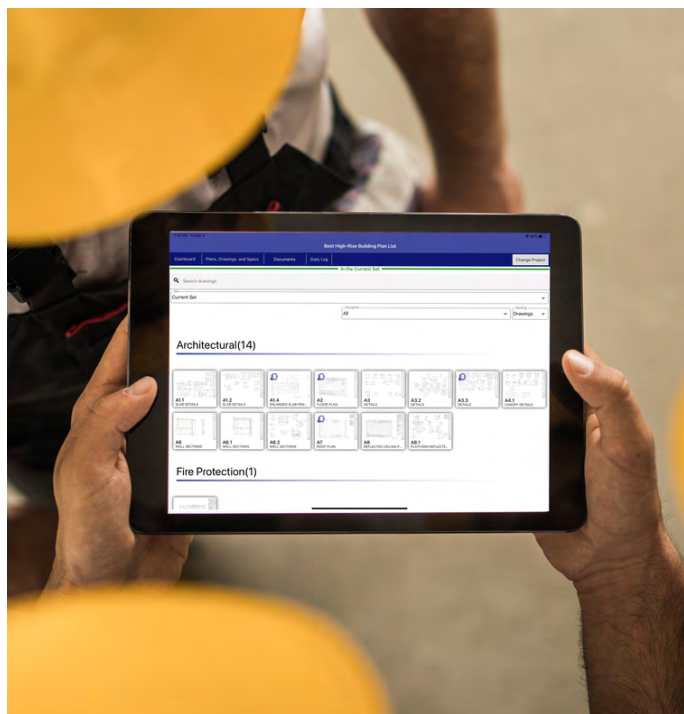

ConDoc is a complete document management platform designed to keep your entire project team focused on the most up-to-date information.

Manage your projects from anywhere, with our web and mobile apps, on or offline, at a fraction of the cost the others charge.

Track all project activity in ConDoc, leaving you with a full audit log for maximum accountability. We focus on the details, keeping your data safe, organized and available, so you can focus on your project.

Welcome to construction documentation simplified, welcome to ConDoc.

www.condoc.com

✓ Project Management

- Manage the entire team in one platform
- Customizable per project
- Easy project setup
- No need for extensive training, it's that easy

✓ Documentation Management

- Centralized drawings, photos and other documents
- Drawing markup, versioning and revisions
- Daily Reporting

✓ Accountability & Accessibility

- Email notifications
- Customizable approval workflow
- Full project auditing
- Increased ROI

ConDoc

SECURITY - GENERAL

SERVERS

- We host and manage our own servers (not outsourced)
- All servers are hosted in a secured, high-availability data center, and sit behind a FIPS compliant firewall
- Protected by real-time IPS and Virus Protection

DATA

- Data is fully encrypted at rest and in transit

AUDIT

- All access is audited, date/time/human stamped

Manage Documentation Better

If you are paying per user license fees or a percentage of contract value for your document management solution, YOU ARE PAYING TOO MUCH!

Documentation management does not have to cost a fortune, and should not have a negative impact to your bottom line. You should never have to give your financial reports in order to obtain a quote for software.

Our approach is different, pay a fair, affordable price you can budget for, and start building. Stuck in a contract? Cancel. It's time to start saving your hard earned money.

Our Idaho based support and development team can help migrate your projects into ConDoc. Rest easy, we will do the heavy lifting for you, including training and support for your entire project team at no additional cost.

VALUE - WHY WE'RE DIFFERENT

www.condoc.com

"...their product helps streamline communication from office to field teams for both design and construction companies on projects of any size, while providing unmatched customer service.

M. Allem, Estimator

"What I love most about ConDoc is the instant email notification indicating when RFIs and Submittals are in our company's court. When plans change, everyone is notified, making it easy to keep everyone on the current set"

H Meyers, Project Manager

"It gets the info to all parties that need it right away. It makes going back and finding things easy. ConDoc just keeps getting better and better every year!"

B. Stewart, Partner

"Clarity and versioning history, finding stuff is easy. We need it to run our business!" E. Castrigno, Architect

"Everything's in one place. I was able to find all the documents at some point, and I could see who had approved or commented." M. Greer, Project Manager

"...The ease of use for RFIs, Submittals, Weekly Meeting notes, etc. is phenomenal. So easy to assign, track, and complete project tasks across the board. The staff and support at ConDoc has gone above and beyond to help us succeed in all of our projects. They are an integral part of our construction team and we are all better for it. Thank you ConDoc!" K. Siegenthaler, Principle Partner

"ConDoc is a very user-friendly document management tool! The notifications give clear indication to what is currently in your court and makes accessing different document types easy. Navigating through plans & drawings is really fast, the tool sets are awesome to work with, both in the office and when I am in the field." K. Myers, Project Manager

The background is a light blue architectural floor plan. Overlaid on this are several semi-transparent blue spheres of varying sizes. The word 'CONDOC' is centered in a large, black, sans-serif font. The letter 'O' is replaced by a blue checkmark inside a circle. A registered trademark symbol (®) is located at the top right of the 'C' following the checkmark.
