

"...I feel we didn't give up anything when we made the change, other than we saved a substantial amount of money, and we're getting a better product. Definitely a win win for us." Paul H. Assistant Project Manager

EXECUTIVE SUMMARY

ConDoc is a complete document management platform designed to keep your entire project team focused on the most up-to-date information. Manage your projects from anywhere, with our web and mobile apps, on or offline. Track all project activity, leaving you with a full audit log for maximum accountability. We focus on the details, keeping your data safe, organized and available, so you can focus on your project.
